New Delhi, which reflects the legacy the British left behind. The division between New and Old Delhi is the division between the capitals of the British and the Mughals respectively. The division in the walled city and New Delhi also marks the division in the lifestyles. The walled city is all tradition where one will be able to glean a past life-style in all its facets, colours and spells. New Delhi in contrast, is a city trying to live up to the best of 21st century standards
